For supporters: choose a flat gift, or a pledge per minute read. Per-minute pledges have a cap, the most you will ever owe, so there are no surprises. Flat gifts can be paid now. For per-minute pledges, the family will tell you the final amount after reading ends.

Please don't write phone numbers, email or home addresses on this sheet. It travels in a backpack. Money goes to the office in a sealed envelope marked with the reader's first name and class, not in with the reading log. If you need a receipt, ask the organizer. If your employer matches gifts, ask the organizer for the group's details for the match form.

Example only; your group's menu above may differ. A pledge of 5¢ a minute with a \$20 cap. At 300 minutes that's \$15. At 600 minutes it would be \$30, so the cap applies and the supporter pays \$20.
